

# About LoVo Systems

LoVo Systems, Inc.. is a Systems Integration Company providing complete solutions for the following:

- ✦ All Types of Network Wiring Including Fiber Optic
- ✦ Video Surveillance Systems
- ✦ Commercial, Industrial and Residential Security
- ✦ Door Access and Controls
- ✦ VOIP Phone Systems
- ✦ Paging and Intercom Systems
- ✦ Complete Audio / Video Solutions
- ✦ Fire Alarm Systems

With over 75 years combined experience coupled with being previous Information Technology service providers and customers ourselves, we understand what it takes to make all of the technology work together.

We are detailed oriented and our Quality Control program demands the finished product to not only be installed at spec but also as clean and professional as possible.

Do It Right The First Time. We are positive LoVo can help your company succeed.
